Pray for Coach and His Family

A great moral failure of a member of Coach's family has been exposed. We thank God for His mercy and Grace and are reminded of His warning that "there is nothing hidden that will not be revealed". God is faithful to discipline us in love. We want to be clear that this sin does not involve Coach Dave, Michele, or the ministry, but it is a heavy burden that we must bear together. As our loving Father did in the story of the prodigal son, we run to embrace the one who was trapped in the pig-pen. We thank God that this self-inflicted wound did not cause harm to anyone else.

The Daubenmire's stand in great need of prayer and support. Pass The Salt will continue to stand on the front lines in the battle for the soul of America, but Coach Dave is needed at home to help in the healing and restoration of someone who calls him "Dad". Now, more than ever, he must turn his heart towards home.

We thank you for standing with us in prayer during this difficult hour, but we truly **serve a God of restoration. God is Gracious and He will carry us through.**

**Pray for Coach Dave and his family that they might be:
Strengthened with all might, according to his glorious power...**

<p>Minutemen alongside New Beginnings Ministry has engaged the adversary. The Fox Hole must go!!! An adult smut joint in Newcastle, Ohio must be closed down. There are children and families living in this village and being exposed to an environment unfit for human viewing.</p>	<p>If your ministry or church would like to become engaged in these battles please e-mail radio@ptsalt.com for information. MT 28:19 calls us to go to all nations.</p>

The Revival at the River in Warsaw, Ohio was God anointed. Each night there was a phenomenal worship service followed by God inspired preaching. Scott Heldreth opened on Wednesday and closed on Sunday. Coach Dave and Rev. Flip Benham divided the other services. The Lord moved in many hearts. Jesus was lifted up and blessings were there for all. Revival came to those attending.

On Friday and Saturday several went to the abortion mill and lifted up the name of Jesus. They stood at the gates bringing Jesus to all the workers as well as the lost mothers. Saving lives and souls was the goal. Also on Friday afternoon many went to the court square in Mt. Vernon to have church service. They were passing out literature proclaiming Jesus and pro-life. They were preaching and talking with all that would listen.

On Sunday afternoon the scene was awesome. Over 30 men were Baptized in the Walhonding river as a Band of Brothers. This was the high-light of the Revival. Several couples were Baptized as one in their marriage. Many were Baptized as New Christians. It was a very refreshing afternoon.

Throughout the weekend there was fun for all. There were carry in dinners, wiener roasts, smores and dishes of ice cream. Plenty of fellowship and relaxation was enjoyed by all. Mark your calendars for next year now; August 1st through the 5th, 2007.

Minutemen at the library. Nancy McFarland led the Minutemen on a tour of Coshocton library. What we found was a wake-up call to all Christians. Our young adult (young Teens) section of the library is full of Satan. We found many books on witchcraft, promotion of homosexual behavior as normal, books on "Being Dead" and books with language you would shutter to hear aloud.

We found no Bibles, no books on fleeing from the desires of homosexual lifestyle, and none about abstaining from sex. We found the storage place for the teachers cart in the children's section. This cart has books promoting homosexual lifestyle as well as other propaganda. This cart is kept where any child can retrieve all books meant for teachers from it.

Should we protect the children of the world from those who want to ruin their minds? We that claim Christ are called to do just that.

Christians rise up! The minds of our children are being deceived. Check out **your** library today. Write to your editor today. Stand to save the minds of our youth.
